

November 2024

Dear Friend of the JCC,

As we approach the end of another incredible year at the Albany JCC, we reflect on the joy, learning, and support that filled our halls each day. The Albany JCC is more than a community center—it's a place where friendships are made, cultures are celebrated, and wellness is prioritized. From our littlest learners in the Early Childhood Education Center to our seniors who find companionship and joy in our programs, every corner of our center tells a story of connection, growth, and resilience.

Our programs this year have been a testament to our commitment to serving every generation and every member of our community. We've watched young children thrive through early education and summer camps. Families have come together through holiday celebrations, arts and culture events, and enrichment activities. Older adults have found comfort, purpose, and friendship in our wellness classes and social programs.

All of this is made possible through the generosity of friends like you. As a non-profit organization, we rely on your support to maintain and grow our services. Your donations allow us to expand our fitness and wellness initiatives, enhance our children's programs, and provide a welcoming space for all who walk through our doors.

Today, we ask for your help. ***Please consider making a year-end gift to the Albany JCC.*** Your contribution will help us continue providing essential programs and services that will uplift our community. Every donation, large or small, makes a difference and directly impacts the lives of our members.

***Together, let's continue to build a community where everyone belongs, thrives, and feels at home.*** Thank you for being part of our JCC family and for considering a year-end gift that will help us keep serving the Capital Region with excellence, compassion, and dedication.

With warmest regards,
