

**Rob Kivort** is President of Kivort Steel and a lifelong resident of New York's Capital Region. He grew up in Schenectady and has lived in Albany for more than 30 years. Rob has been an active member of Congregation Beth Emeth for nearly two decades, serving on its Finance Committee since 2015, chairing the Philanthropy Team since 2018, serving on the Board of Trustees since 2017, and acting as a temple officer since 2020.

He currently serves as Executive Chairperson of the American Diabetes Association's Capital Region Tour de Cure and has been a member of Albany Medical Center's Development Committee since 2012. His previous community leadership includes serving on the Board of Trustees of Woodland Hill Montessori School from 2007 to 2012 and on the Executive Committee for the Leukemia & Lymphoma Society's Light The Night Walk from 2018 to 2023.

Rob is also a recipient of the Downtown Albany Business Improvement District's Compass Award, recognizing his role in developing Albany's *Sculpture in the Streets* program, which enhanced downtown's visual appeal and quality of life.
